## **Statistics**

Semester course. Could be taken before 1040 to help prepare

Quantitative Reasoning

Statistics

Math 1050/1060

College Algebra

All CE Requires Completion of Math 1, Math 2, and Math 3 with C average or better.

Math 1050 requires 23+ Math ACT Score. If a student registeres for 1050 and doesn't have a qualifying ACT score, the student will be registered for Math 1010. Students can also take an Aleks Placement Test (46+) to test into Math 1050.

Choose based on the COLLEGE MAJOR the student wants.
