

Reviewing Your Schedule in ClassChoice

- To access ClassChoice, log into your Powerschool account. In the upper right hand corner, click on the box with an arrow. Then, click on Classchoice.
- When you're logged in, you will see a screen (shown below) with your schedule for this school year. You will see 1st and 2nd semester. Only 2nd semester is open for class changes. The *Graduation Requirements* section will help you make sure you keep the correct classes (this may not be accurate if you've taken classes outside of WCSD). **If you are happy with your class schedule, there is nothing you need to do.**

Use the **Master Schedule** to see when all 2nd semester classes are taught.

- On the next screen, click on the 2nd semester drop-down menu—you will see the classes that are available.

Modify Schedule: A1

A1 2020-2021	*** No Class Selected *** Unavailable Classes
A1 Semester 1 (Locked)	Release Time - (- (Staff, Rel))
A1 Semester 2	Release Time (.50) (Staff, Rel) (70 open) Unavailable Classes

Only classes that you are able to enroll in will appear. If you know a class is offered that period, but it's not showing, hover over "Unavailable Classes" to see why- it is probably full.

If a class is FULL (0 open seats), it's FULL. Don't ask your counselor or the teacher if you can get into a full class. Classes will NOT be overfilled.

- If you want to make a change, select an available class, and click the **Save Changes** button to lock it in. Click the Cancel button if you decide not to make a change. Be aware—the system has an audit trail that documents every change made.
- When you are done with your schedule, click Logoff in the upper-right corner of the screen.
- If you take too much time, the program will "time-out." You will know this has happened if you can't log back in. To fix it, please **clear your cookies on your browser** and then *log back in through Powerschool*.
